

East Cork Journal

IT'S ALL YOU NEED TO READ

DEAR POTENTIAL ADVERTISER,

The **East Cork Journal**, Cork's newest weekly newspaper has been available in all good newsagents across East Cork since **Thursday, September 6th, 2007**. We would like to invite you to make your company known to our readers with one of our competitive advertising packages. With **5,000** copies being distributed throughout East Cork, we are determined to bring the news to your doorstep.

Covering a wide range of social, commercial and community-based events and issues throughout the region, the **East Cork Journal** will ensure that we both inform and entertain our readers - young and old.

With advertising packages available from as little as €20 per week, there is no better way to promote your business to the people that matter most – your customers.

We are aware of a gap in the marketplace for a newspaper that delivers strong local news content, whilst also being aware of the greater issues that affect our community and aim to fill that niche with the news that matters.

If you would like to be a part of East Cork's newest weekly newspaper, we would be delighted to discuss the many advertising options available – many with additional editorial coverage, free of charge – please call us today on **086 8073842** or **021 4638022** for further information. Remember to avail of our discounted rates for campaign advertising with additional discounts available as part of our prepayment option.

Due to our competitive rates, advertising space is at a premium for our first edition – so book now – don't regret it later!

Remember... it's all you need to read.
